Appln No. 10/566,144  
Amdt date March 14, 2007

### REMARKS/ARGUMENTS

After amending the claims as set forth above, claims 1-24 and 26-30 are pending, claims 1-22 and 24 are amended. Claim 25 has been cancelled. New claims 26-30 have been added. Support for new claims 26-30 can be found in the specification as filed, including in at least original claims 1-25.

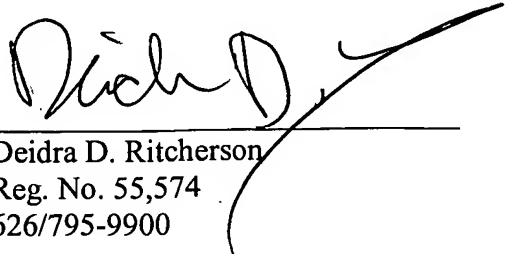

A substitute specification, a substitute abstract and the respective marked up versions of the substitute specification and abstract are submitted herewith and should replace the current version of the specification and abstract in the instant application. No new matter has been added. Support for the substitute specification and substitute abstract can be found at least in the original specification and abstract as filed.

A replacement drawing sheet and an annotated drawing sheet showing FIG. 7 is submitted herewith and should replace the current version of the drawing sheet showing FIG. 7. No new matter has been added. Support for the contents of the replacement drawing sheet can be found at least in the original specification as filed and FIGs. 6A and 6B.

It is respectfully requested that the foregoing supplemental preliminary amendments be entered prior to examination.

Respectfully submitted,  
CHRISTIE, PARKER & HALE, LLP
